3. Consent for Fiber Data Construction

I, the undersigned, am the legal owner or authorized agent of the property listed above. I hereby provide consent to Blackfoot Communications and its authorized representatives, contractors, and subcontractors to access and perform construction activities required to install fiber-optic infrastructure on, in, over, or under the property.

Such construction activities may include, but are not limited to:

- Excavation, trenching, and directional boring
- Installation of fiber-optic cables and conduit
- Placement of access panels, vaults, or pedestals
- Temporary storage of construction materials and equipment on-site

I understand and agree to the following:

- The service provider will take reasonable care to minimize disturbance and will restore the property to a reasonable condition after construction.
- This consent does not transfer ownership of any part of the property.
